Washington, D. C.

SUBJECT: Border Studies (Hungarian-Yugoslav and

REFERENCE: Op-222B3/wkr, Ser 002394P92, dated 18 June 1957

The Geography Division of this Agency will be able to undertake production of the two border studies as requested in the referenced memorandum from the Director of Naval Intelligence. Because of the pressure of prior commitments, however, it will be necessary to make these studies considerably shorter than CIA/RR-95 or CIA/RR-97, in order to complete them within a reasonable time. The earliest estimated completion date of the two short-form studies is April or May 1958.
